DESIGN LINES 3 - NOVEMBER 2014

Award Winning Home Now on a Best Seller!

Welcome to Design Lines. **They say you can't judge a book by its cover. But in the case of Judy Nunn's new bestseller, *Elianne*, the cover features a magnificent Garth Chapman Queenslander - so it must be good!** In truth I haven't read the book, but if you do let me know what you think on our Facebook timeline.

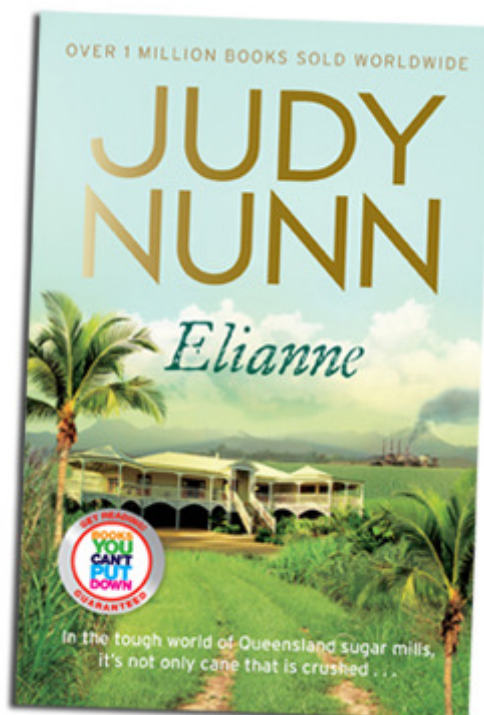

In this edition of Design Lines we celebrate our 2014 QLD Master Builders "Best Heritage Style Home" awards and feature a new "Carpentaria" series home completed in Northern NSW.

Don't forget to follow us on [Facebook](#) and [Pinterest](#) for our latest project news.

All the best,

"Small House": Best Heritage Style Home

"Small House" built by the team at S & S Timmer Constructions had the winning combination at the 2014 Master Builders Awards. The home which is a Garth Chapman Traditional Queenslander won Downs & Western House of the Year, Best Heritage Style Home in Queensland and Best Kitchen. Despite what the name implies, this home is grand and opulent with a stunning layout, heritage charm and breathtaking views.
